One Wall @ a Time

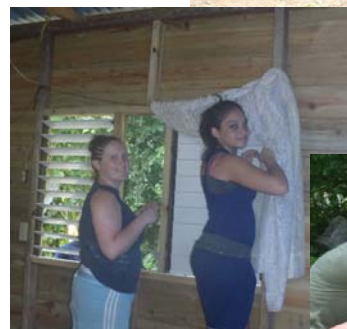

Chrisann approached Jim asking if we would help her mom, Dana, paint their house. We went to check the possibilities out and found the house in need of much more than paint. The basic structure was sound, but only the front wall was paint worthy. The rear wall consisted of studs with thin paneling leaning against them from the inside of the one room house. This is where we began. *Williamsburg Christian School, VA* built the rear wall.

Below is the second wall torn down and reconstructed by *Kings Christian School, NJ.*

Working on the windows was detailed work. The window that was installed on the new side wall consists of one glass panel in the center and many louvers on either side. The louvers are held in place by 72 tiny screws each requiring a pilot hole drilled before the screw was set in place! The front window is painted and awaiting placement.

Kings Christian School, NJ

Imagine your house falling over during the night while you were sleeping. That's what happened to Pastor Murray's brother, Aleck Murray. His neighbors set it back up and propped it with logs. Kings Christian came in the following day and leveled it out with secure footers.

MOVE THAT HOUSE!

All the children of Murray town send their love!

Ladies at the infirmary enjoyed a SPA day when the girls of Kings Christian gave manicures and hand massages! What a treat! Ms. Kennedy, pictured to the left, was overjoyed! All the ladies felt special! Meanwhile, the guys enjoyed many rounds of checkers.

Felix was Mr. Gardner's partner. They are checkers champs!

Kings Christian put smiles on the faces of the children in Gully Bank by providing special treats and loads of fun.

PEEPS are so good & sticky!

Love and friendship, two of the most desired things our teams offer to the residents of Gully Bank! The shoes, clothes, books, school supplies, toys & food are greatly appreciated too!

Katie & Emily baked cookies that were shared with the elderly at the infirmary. MMM!

Christian Campus Fellowship from Georgia Southern Univer.

Joined by our two interns, CCF made a great difference in many lives during their stay in Jamaica! They brought joy to the residence of the infirmary by spending time with them and sharing cookies and drink. The love they shared with the misfortunate in the hospital was sincere. The babies giggled the entire time we were able to visit the children's ward!

CCF hung insulation and dry-wall on the ceilings of the rooms at KBM's base. The difference in temperature in the rooms was immediately noticeable! Rochelle, Bryan and the interns will endure the summer heat more comfortably at night now. Thanks CCF!!

The big tree stump that had served as a corner footer has been replaced with a cement footer. CCF also built front steps for Brother Aleck so he can safely enter and exit his humble home.

Move that mountain! CCF took their turn chiseling away at the mountain alongside the Petersville Lighthouse Church. Pastor Presley is thankful for each and every swing! Petersville Lighthouse Church is undergoing an expansion to a larger, block building. The rock taken from the hillside serves as fill for the new foundation.

Pictured on the left you see CCF conducting morning devotions at Portersville All Age School. The lesson of forgiveness and God working what was meant as evil toward us into blessings for us as seen in the life of Joseph was a lesson we can all learn from.

KBM Needs YOU!

There are many ways you can be a part of Kingdom Builders Ministry.

- Pray for KBM
- Sponsor a Child to **Go 2 School!**
- Become an intern
- Give financially
- Come on a short term missions project
- Tell someone else about KBM

Prayer Requests

Trust with us praying for God to provide for all our needs.

- Our family's health
- Financial needs
- Future interns

Find out more about all of these opportunities at www.jaminjamaica.com

2011 KBM Annual Golf Classic

What a great day!
Rain threatened, but God blessed KBM golfers with a beautiful sunny day!
A huge **THANK YOU!** to all the golfers and wonderful volunteers!
